Fujiyama, famed volcano, last erupted in 1707.

Oklahoma Picnic Set
Oklahoma State Society picnic will be held Monday, Labor Day, at Sycamore Grove Park in Los Angeles. The picnic will start at 2 p.m.

Work Dispute Brings Pickets To Home Project

Police cars were sent to the G and G Construction site on Sepulveda Blvd. twice Tuesday when a dispute between members of the AFL Carpenters Union and the AFL Laborers Union threatened to flare into violence.

On the first call, two cars were rushed to the scene where it was reported that picketers and workmen were exchanging blows at the entrance to the new home tract under construction.

By the time police arrived, the scrappers had been separated and picketing was being done quietly.

Later in the day, when the workers were leaving the job at the end of the shift, police returned to the spot to prevent a recurrence of the outbreaks.

A union spokesman told a Herald reporter that he had "nothing to say for any newspaper."

Police said they were told that the picketing was ordered when carpenters and laborers began disputing which had the job of picking up lumber and carrying it to the building sites.

Tot Injured In Accident

Suffering concussion in a two-car collision Saturday night at Cypress and 250th Sts. was three-month-old Gary Orrell, son of Grady Orrell, of 2369 W. 248th St.

The child was riding in a car driven by his father which collided with an auto driven by John Gordon, 46, of 25524 Narbonne Ave.

Gordon was arrested by Lennox Sheriff's deputies on suspicion of hit-and-run driving and drunk driving.

Reader Salutes Leader of Waleria Boy Scouts for Community Service

Editor

Torrance Herald:

Eighteen months ago your paper gave the boys of Waleria who wanted to go on with Scouting, and those who wished to enter it, a big break. This was done by means of your publishing an article which I sent in to you, appealing to men for leadership in reorganizing the troop.

A few men came to the fore as a result, and the troop was reorganized as Waleria Boy Scout Troop No. 240. This troop is sponsored by the Waleria Business Men, and is headed by Scoutmaster Bob Wagner. It is progressing rapidly, and many boys who would otherwise be occupied with mischief, have become so deeply absorbed in the Scouting program that their energies have also become directed toward the building of firm character and good citizenship.

Now, along with the progress have been the problems encountered by every organization in the process of its growth. One of these problems has been the usual one—this being the fact that one person, namely Scoutmaster Bob Wagner, bears most of the adult leadership.

Mr. Wagner has given unselfishly and unstintingly of his time and energy to these boys, and to Scouting, and all that it represents. His vacation time was spent with them at camp. Every spare hour, he devotes to Scouting. In this, he is truly doing the community and the boys a GREAT service. And his own children are yet, by far too young for Scouting! In addition to this, his wife, Mrs. Wagner, is a Girl Scout leader! From a community angle, these people would be well worth your interview.

Mr. Wagner feels that parents do not fully understand the value and ideals given by Scouting. Parents, he feels, look upon the Scouts more as a boys club than as a character and citizen building organization. At least this is the problem in our community. We of the troop committee would like to see the parents become aware of the many advantages offered their boys by Scouting, and we feel that the best way to do this would be through the press.

Your cooperation will not only be greatly appreciated but it will also serve to lend encouragement to a man who has so unselfishly devoted his time to the better molding of our future citizens.

Cordially yours,
(S) ELSIE L. PESTOFF

Waleria

Cashing Money Orders Made Difficult For Nondrivers, Resident Tells Herald

Editor

Torrance Herald:

I have been reading your newspaper for the past ten years and I think you are interested in public welfare.

There is a situation I think should be looked into. It is the fact that you cannot get a money order cashed in a post office unless you have a driver's license.

I don't have a driver's license and I am sure there are a lot of people who do not have one.

I wrote my Congressman and also the Postmaster General about this, so I hope something can be done about it.

Naval Reservists End 2-Week Training Duty

William R. White, 2032 Middlebrook Rd., just completed two weeks of annual training duty with the Naval Air Reserve Squadron VF 782 (jet) at the Naval Air Station, Los Alamitos, Calif.

During the two-week training period members of the squadron flew the twin jet Banshee fighter and took intensive training in modern techniques of gunnery, bombing and tactics.
